

COVID-19 Rules and Regs for customers

- If you are showing any symptoms you should be self-isolating at home
 - Always keep at least one meter away from others
- On arrival there is a one-way system going round to the right when you enter
 - On arrival please use hand sanitizer provided
- There are multiple hand sanitizing stations around the restaurant and garden which we encourage you to use
 - We are only providing table service
 - We do not want customers queuing at the bar
- If you have not booked a table, you will need to provide staff with your contact details
- Our tables have been set out with at least one meter apart.
- There can only be one person in the toilets at a time
- We are following strict cleaning schedules and adhering to government guidelines
 - Children should be sat down and supervised by a parent/ guardian at all times, and respect the social distancing measures
