# W. OUR Wines

Here at Badgers we spend many loving hours compiling our wine selection, and change it frequently with the seasons. We work very closely with our suppliers to ensure an enticing and worldwide selection of styles are represented, for all taste buds, occasions and budgets. The wines listed are in an order of lightest to fullest in style, within each section. If you'd like any additional information such as the wine's vintage, or alcohol content, please do ask a member of our team. We hope you enjoy pondering the list as much as we did tasting them.
